

MEDIA FACT SHEET

For over 30 years, Zoot Enterprises has been a global provider of advanced origination, acquisition, and decision management solutions. Its customer-centric tools and services enable Zoot's clients to add value and differentiation, while providing nimble, scalable solutions to specific business objectives. A leader in the fintech industry, Zoot's cloud based secure processing environment delivers millisecond real time decisions accessing hundreds of cutting edge data sources to help reduce risk and increase conversions. The company's international client base includes major financial institutions, retailers and payment providers.
